

Properties: FertilityM3 is an herbal remedy that consists of five Pharmacopoeial herbs. Studies carried out on this remedy for more than seven years, indicated that FertilityM3 has multiple actions that helps to maintain male fertility.

Indications: FertilityM3 is indicated for the followings:

- ❖ Improving prostate gland secretions.
- ❖ Improving blood circulation to the male sexual organs.
- ❖ Increasing the male sexual hormones secretions.

Results: Both the clinical and the laboratory studies performed on more than 500 male individuals, aged between 18-75 years, clearly showed that FertilityM3 is useful for the following:

- ❖ Males with low sexual desire.
- ❖ Enhancing sexual activity especially in males aged 50-70 years of age.
- ❖ Increasing the number of sperm.

Side effects: No side effects were recorded from individuals used FertilityM3. However, 5-6% of the cases indicated that there was an increase in urinary flow rate. Whereas, 3% of the cases experienced intestinal gases.

Contraindications: None reported so far.

Recommendations: For best results, we recommend that FertilityM3 be taken regularly for a period no less than three months.
